Reviews

Complete manual! Its such a great study. It really is writter in straightforward phrases rather than hard to understand. You are going to like the way the article writer create this publication.
(Ike Fadel)

A FRACTION OF THE WHOLE

Spiegel & Grau, 2008. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: SHORTLISTED FOR THE MAN BOOKER PRIZE 2008 "A Fraction of the Whole is that rarest of long books utterly worth it .The story starts in a prison riot and ends on a plane, and there is not one forgettable episode in between.It reads like Mark Twain with access to an intercontinental Airbus. This book moves; it bucks and rocks in a world that feels more than a hemisphere away.So comically dark and inviting that you have no choice but to step into its icy wake." Esquire "Rollicking.laugh-out-loud funny." Entertainment Weekly "A rich father-and-son story packed with incident, humor, and characters reminiscent of the styles of Charles Dickens and John Irving .Occasionally, a big, sprawling first novel fights its way into print with a flourish, at which point its ambition and the eccentricities of its 'firstness' can become its best marketing tools. Such is the case with A Fraction of the Whole , a book that is willfully misanthropic and very funny.like Irving, Toltz makes minor characters leap off the page .He's a superb, disturbing phrasemaker.this long novel, which lives or dies in the brilliance of its writing, has a subtle, compelling structure. A Fraction of the Whole soars like a rocket ." Los Angeles Times "Combines the hilarious high-low reference points of early Martin Amis with the annihilating punk inventiveness of Chuck Palahniuk." Best Life "One of the best books I've ever read. A Fraction of the Whole is better than The Corrections , and Toltz did it in one book while it took Franzen two to get The Corrections out into the world. Granted, you have your whole life to write your first novel, but my God, A Fraction of...
