You folks look well dressed; this will be a good week. Don t any of you men shoot anyone. You know why we want the girls whole. We may have to use some fire to get that big guy to tell us where he hides his gold, but we want him alive to talk. Jake starts to step forward, and the brute king shouts at him. Don t move unless I tell you to, or we ll blast your legs, you won t need them again anyway. You girls come from behind him. Nice. After me and the men are done with you maybe we ll give you to the boy. Walk up to me nice and slow, I want to enjoy this. Jane and I don t need to look at each other; there is no way we can delay until backup arrives. I hope Bill can get one for us, he may not know Jane, but he knows what I m about to do. We walk forward slowly. Leave my sister alone, I say drawing his attention I m the one you want.
