John Wiley Sons Inc, United States, 2016. Hardback. Book Condition: New. 236 x 155 mm. Language: English . Brand New Book. A comprehensive introduction to today s MA strategies Make the Deal is a direct and accessible guide to striking a powerful MA deal. Merging business, finance, and law, this insightful examination of MA strategy is designed to help you understand MA negotiations and the ways in which the final outcome affects your financial future. A general overview of an acquisition agreement framework segues into a more detailed discussion of different deal structures, including stock sales, mergers, asset sales, and complex structures, giving you the information you need to know when each one applies best in practice. You ll gain insight into real-world negotiations and the delicate balancing act that occurs as each party attempts to maximize value and minimize risk, and learn the potential pitfalls that can occur. Negotiation statistics and samples from actual contracts back the war stories throughout, and reinforce the idea that there s no single perfect solution. As a topic of study, MA is constantly evolving; in practice, it changes at the speed of light. Staying ahead of the market is the single most critical element of making the best deal, and the strategy that worked for one deal most likely won t work for the next. Instead of simply providing a list of strategies that have worked in the past, this book shows you why they worked, so you can tailor your strategy specifically to your next deal. Learn how MA contract terms affect economic outcomes Examine the techniques and mechanics of today s acquisition agreements Develop a legal framework that supports your business strategy Follow the ups and downs that arise in real-world cases A successful MA transaction requires both attention to detail...
