Bibliogov, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.International terrorism threatens U.S. foreign and domestic security and compromises a broad range of U.S. foreign policy goals. This issue brief examines emerging international terrorist threats and the U.S. policy response. Available policy options range from diplomacy, international cooperation and constructive engagement to economic sanctions, covert action, physical security enhancement and military force. Throughout successive administrations, a key element of stated U.S. policy has remained: no concessions to terrorism. Periodic willingness by such groups as the PLO, and IRA to moderate behavior may warrant reassessment of this policy.
