Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Lulu.com, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This book explores Bible reliability in terms of Egyptian history. It also includes the value of the Law provided from God through Moses in terms of environmental and medical science. In the past, critics have claimed that the Bible is inaccurate in matching Egyptian history. Now, there is strong evidence the Egyptian history timeline needs to be revised. With this revised dating of the Egyptian 12th Dynasty, Bible information matches well with Egyptian history from Abraham to Moses. The Law matches well with modern medical science for control of infectious diseases. The Law also gives instructions for dealing with the management of mildew that too matches modern technology. The instructions for disposal of human waste match recommendations from modern science for primitive conditions.
