Are you dissatisfied with the gospel of health and wealth? Health and wealth proponents urge Christians to claim material blessings on earth. Others insist that God's best gifts can't be enjoyed until heaven. The truth of God's intentions, writes acclaimed author Jonathan Wilson-Hartgrove, is far greater than either perspective suggests. Packed with inspiring stories, God's Economy invites you to step into the good life God intends you to enjoy here and now---not a shrink-wrapped, plastic version of prosperity but a liberating approach to living that leads to genuine and lasting satisfaction. With persuasive enthusiasm, Jonathan Wilson-Hartgrove draws from Jesus' teachings on money, exploring five tactics for living in God's economy of abundance. Then, he demonstrates how people have practiced these tactics in the past, as well as what these principles can do for you, your family, and your church today. From your human relationships to your spiritual life, this practical guide cuts through the clutter and invites you to discover what can happen when you invest in God's Economy.
