By Gale Sloan Thompson

F.A. Davis Company, United States, 2015. Paperback. Book Condition: New. 2nd. 276 x 214 mm. Language: English . Brand New Book. How do you learn AP best? Whatever your learning style, by looking, listening, or doing, or a little bit of each, the 2nd Edition of this innovative, multiplatform approach to anatomy physiology is designed just for you. Tackle a tough subject in bite-sized pieces. A seeming huge volume of information is organized into manageable sections to make complex concepts easy to understand and remember. You begin with an overview of the body, including its chemical and cellular structures, then progress to one-of-a-kind portrayals of each body system, grouped by function. A wealth of full-color illustrations, figures, sidebars, helpful hints, and easy-to-read descriptions make information crystal clear. Each unique page spread provides an entire unit of understanding, breaking down complex concepts into easy-to-grasp sections. Click here for a preview of the text the accompanying resources. See. Listen. Do. Discover beyond the book with instructor and student resources online at DavisPlus, including your Davis Digital Version, full-color, narrated animations, interactive exercises, flash cards, and learning objectives/outcomes.
