

Legal Professional Privilege for Corporations: A Guide to Four Major Common Law Jurisdictions (Hardback)

By Lecturer Andrew Higgins

Oxford University Press, United Kingdom, 2014. Hardback. Book Condition: New. 248 x 172 mm. Language: English . Brand New Book. A comprehensive account of legal professional privilege as it applies to corporations covering four major common law jurisdictions: the UK, Australia, Canada and the United States. Higgins provides a practical set of principles to advise practitioners in the large number of areas where there is uncertainty in the law of privilege as it applies to corporate communications. This book will act as an invaluable guide to practitioners and judges trying to ascertain the often fine line between whether a corporate communication is privileged or not. In particular the book provides a concise overview of the law of privilege in the UK, Australia, Canada and the United States, and detailed consideration of: - The definition of the corporate client, which is still unresolved in England following the Court of Appeal's decision in *Three Rivers No 5*. - The legal advisers covered by the privilege in increasingly competitive legal services markets, including the position of in-house counsel, accountants and multi-disciplinary partnerships. - The key trends in the courts application of the legal purpose test in connection with advice given by lawyers,...
