The country road to hell and back is paved with the good intentions and secrets of Southern women. Prodigal son Duddy Doogan has a promise to keep. He is going home, to a place where his eccentric storytelling kin await his first visit since his father went missing. Home to where a powerful river carves an age-old border between Florida and Alabama. Home to a family tree of hidden secrets, lies, memories, and skin colors-but there is nothing black and white about the mysteries buried in its roots. Haunted by the trauma of a terrifying childhood accident and the love of too many Southern women, Duddy must excavate the bones of his family history to put his own broken life back together.
