Not such a good idea when you are a student in school, because learning to read and write is really the thing to do. Oh, what a dilemma our friend the GLINK is in. If he decides to not think, what will his future be? Imagine what would happen if you grew tired of reading and writing and math, and YOU decide you've had enough. Would you just turn off your power to THINK? What decision will the GLINK make? Follow his adventure as he tries to decide, Do I stop thinking and just use my ability to BLINK? Or should I learn to read and decide I want to use my power to THINK! Turn the pages and follow what happens to our friend the GLINK. This can be a decision for me and for you. Using our power to think will be just the right thing to do!.
