JESUS AND HIS FATHER BY HIS FAMILY AND FRIENDS (PAPERBACK)

Tlg Mins, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book explores the way Jesus revealed God as his Father and the implications of this truth for each of us. We tend to read the Gospels as historical biography but in reality they were four different accounts of the same events. The four authors of the Gospels collected their information from in some cases their own personal experience but also from conversations they had with Jesus family and friends who were eye witnesses to the events described. This book is a collection of stories. The stories of fourteen eyewitness to the life and work of Jesus the carpenter s son from Nazareth. They range from Mary from Magdala to Simon the Terrorist, from Thomas the Twin to Salome, Jesus Aunt. They all met him, in some cases grew up with him, talked with him and in those conversation discovered and heard incredible truth about God. The eye witnesses individually would not have seen the big picture. It was the Holy Spirit who superintended the whole process as the Gospel writers put all this together in their individual accounts. Each story in the book includes details about what we know of these people and the stunning truth that Jesus revealed to them about his Father.
