TSO. Paperback. Book Condition: new. BRAND NEW, Know Your Traffic Signs (Revised edition), Great Britain: Department for Transport, This is a new fully updated guide to traffic signs (last edition published 1995). This handy reference title illustrates and explains the vast majority of traffic signs that a road user is likely to encounter. A thorough knowledge of all traffic signs is essential for all road users, not just new drivers or riders, making this the ideal companion to ensure your knowledge is up-to-date. Although The Official Highway Code contains most of the commonly used road signs which are prescribed by the Traffic Signs Regulations, it does not give a comprehensive explanation of our signing system. This is therefore a perfect complimentary title to The Official Highway Code. The last edition was published 1995. It is a handy reference guide. It illustrates and explains the vast majority of traffic signs. It is suitable for all road users not just learner/new riders and drivers, and supersedes ISBN 9780115516122.
