SIMON SCHUSTER, United States, 2016. Hardback. Book Condition: New. 231 x 155 mm. Language: English . Brand New Book. In Raising Human Beings, the renowned child psychologist and New York Times bestselling author of Lost at School and The Explosive Child explains how to cultivate a better parent-child relationship while also nurturing empathy, honesty, resilience, and independence. Parents have an important task: figure out who their child is his or her skills, preferences, beliefs, values, personality traits, goals, and direction get comfortable with it, and then help him or her pursue and live a life that is congruent with it. But parents also want to have influence. They want their kid to be independent, but not if he or she is going to make bad choices. Through his well-known model of solving problems collaboratively, parents can forgo time-out and sticker charts, stop badgering, berating, threatening, and punishing, allow their kids to feel heard and validated, and have influence. From homework to hygiene, curfews, to screen time, Raising Human Beings arms parents with the tools they need...
