Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1874 Excerpt: . see why his son should want more than he had; his practical view of the matter is that the boy is much better helping to plough, hoe or weed than perhaps idling away his time over books; he never learns to read properly or never can decipher a few weeks after he has been withdrawn from the village school. It is undeniable that efforts are making to bestow means and opportunities of education, and I can bear most favorable testimony to a number of boys in this district receive a sound and well grounded education in the rudiments of reading, writing and arithmetic; but until the prejudices of the people are overcome by solid testimony of what education does for the scholar in the way of helping him to earn a livelihood, until the subordinate local officers are largely selected from...
