Trafford Publishing, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Rising To Meet Our Transformation began as a few thoughts that mushroomed into many ideas that were in my poetic brain flow for quite awhile. Thus I began putting these thoughts into a wide array of poems on paper. Some of these poetic ideas the reader may closely relate to; yet other poetic words may still be more personal and private. As I wrote I allowed the flow of words and ideas to make their impact; then I changed and rearranged where the order and actual word composition required a better flow. Transformation was the key ingredient of this book and in many instances it will be just that. Nonetheless there are poetic thoughts that relate to a different type of change which may not be totally transforming, but at the same time be identifiable. My hope is that there will be a adequate array of poems that would spark the audience. Transformation requires a radical change in our thinking which translates into our personal life and living. Often we change to survive or become enamoured with a new idea that fills our void so we change while our surroundings remain somewhat intact. Yet in real time our environment will recreate itself so we will eventually be transformed into a new age so let us begin! Bill Leahy December 2013.
