

## The Bread Book (Paperback)

Filesize: 8.76 MB

### ***Reviews***

*This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.*

University of Texas Press, United States, 2016. Paperback. Book Condition: New. 190 x 146 mm. Language: English . Brand New Book. A monument of the conceptual photobook. . . . It s the book itself that is the work of art, not the individual images. . . . Like most of the best conceptual photography, the idea is devastatingly simple on the surface, yet infinitely complex when you look beyond the surface. Gerry Badger, author of *The Photobook: A History* In 1973, renowned conceptual photographer Kenneth Josephson photographed a sliced loaf of bread from one end to the other to create *The Bread Book*. A deceptively simple object photographs of the fronts and backs of ten slices of bread, sandwiched between the heels of the loaf with no accompanying text this artist s book raises fascinating questions about the nature of photography and its ability to transform an object into an idea or concept, while creating yet another object: the book itself. Reviewing *The Bread Book* in *afterimage*, Alex Sweetman proclaimed that the result of this act of transformation is that the original loaf no longer functions as a loaf of bread, but as a self-contained book considering the ideas of sequence and illusion in relation to the photographic medium. Originally published in an edition of 1,800 copies, *The Bread Book* has been out of print and greatly sought after for many years. This new edition is limited to 250 copies, each signed by Kenneth Josephson.
