

Tree Whisperer: The Story of Wilhelm Habel (Paperback)

By Norman Habel

Wipf Stock Publishers, United States, 2013. Paperback. Book Condition: New. 226 x 155 mm. Language: English . Brand New Book ***** Print on Demand *****.Description: Deep inside, I am a Wend. I am a son of the soil. I am at home in the forest. I still listen to the trees. Wilhelm Habel is my great grandfather. This is his story and my reading of his life. As I researched his journey, I began to wonder whether there was a hidden link between his spirit and mine or whether the strong connection is simply genetic. I became curious as to whether my great grandfather had an influence on my identity even before I knew his story. After considerable research, reflection and analysis of the family stories, a radical change took place in my writing. I discovered a dimension of Wilhelm s history that revealed something about my own identity. Throughout my life, my parents and grandparents in Australia spoke of themselves as German Lutherans. I discovered that my Habel ancestors were not Germans at all, but Wends who lived in Silesia, a province under Prussian rule. The Wends, sometimes called Sorbs, were of Slavic origin. For centuries, groups of Wends...
