Jesus revealed in His ministry that less than eight percent were willing to obtain all that God had for them. Eight percent obtained a hundred fold return in the parable of the sower; only eight percent of the disciples walked on the water with Jesus; less than eight percent stayed with Jesus throughout His earthly ministry and received what He died for. In 8 Percent, Chad Gonzales takes a bold look at the current state of the Church and addresses the dilemma the Church is facing - no one wants to get out of the boat and work the miraculous! For too long, the Church has been wondering where the power of God went. Yet, all along they haven't realized the power has been within them and available the entire time, anxiously awaiting to be released by one step of faith. This item ships from multiple locations.
