Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It's been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modified the way I really believe.

During the summer of 2001 the city is in a state of fear, held in the clutches of a serial murderer the media have dubbed The Chrysler Killer. One night whilst in pursuit of the man he believes to be the prime suspect, Detective Lewis is responsible for the death of a child. From that moment on Stephens life spirals out of control as he is made a scapegoat by the Justice Departments investigation into corruption and Police brutality. Stripped of his job and hitting the bottle Stephen hits rock bottom and can only see one way out, believing he has nothing to live for he contemplates ending his life. Before he can go through with it Agent Maguire turns up at his door. Representing The Company he offers something that most people never get, a second chance to make something of his life. An opportunity to be part of something bigger than anything Stephen can imagine, the offer; to be part of Project Blue Chrysalis. Established in 1948 by Joseph Kennedy Jnr. and Adolf Hitler Blue Chrysalis was supposed to be an escape. A place where the rich and famous could live out their lives in comfort away from the never ending scrutiny of life in the public eye. Over the years they have come, John Belushi, River Phoenix, Kurt Cobain, all faking their deaths in order to join the growing community living within the confines of the Project. It was a simple life, and a peaceful one, that was until 1981, the year The Company played their hand. Agreeing deals with a multitude of South American Governments The Company began to...
