Absolutely essential study book. It normally fails to price excessive. I realized this ebook from my dad and i encouraged this publication to find out.

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.What is it like to be a volunteer in Israel? How does it feel to nullify one's present life and fly off to the turbulent Middle East on a whim? How can one see and experience the splendors of the world for a pittance? Eternally tormented by the infamous British weather, the disheartened author decides to do just that—to get away from the menial strains of daily routine life. He sets his sight on traveling around the world after a work colleague seduces him with pictures of palm trees and cloudless desert skies of Israel and convinces him to stay on a kibbutz. However, uncertainties begin to creep in as TV reports focus on the troubles in the Middle East. After quitting his job, he sells all his possessions and manages to scrape enough cash for a flight ticket and some pocket money as he flies into the conflict-driven region, but Israel turns out to be very different to the way it is portrayed by the media. Overcome by awe and wonder, and new friends who are also in search of unique experiences, he cashes in his return ticket, subconsciously knowing that life, as he had known it, is about to become history, and England will cease to be his home. Never having set his foot off the British Isles, the author embarks on an adventure one only fantasizes about. Years of travel unfold amongst breathtaking and historically-rich landscapes of Israel. A particular favorite is the Dead Sea, where the author and a bunch of friends camp out by the shores. The nights are sweltering hot and mosquitoes are rampant, and the only respite is a midnight...
