Healing Touch is one of the most accepted and widespread energy-healing modalities in the world. This practical guidebook is the first to give instruction in some of the foundational and easily learned methods in an introductory format. Presented by founding elder Dr. Dorothea Hover-Kramer, Healing Touch takes readers through 18 fundamental exercises for applying this scientifically validated energy medicine for yourself and others. Starting with the theory and research behind it, Dr. Hover-Kramer proceeds to give us a taste of HT compassion in action, through case studies and practices that address such key arenas as emergencies, family relationships, self-care, life transitions great and small, and perhaps most importantly, the alleviation of physical discomfort and anxiety.
