The University of Buckingham Press, United Kingdom, 2013. Paperback. Book Condition: New. 297 x 210 mm. Language: English . Brand New Book. Increasingly relevant and sought after for new exam styles, Cloze tests are passages where some words are wholly or partially removed. The candidate is asked to complete the passage so that it makes sense and is grammatically correct. Short comprehensions and graded exercises help strengthen vocabulary and improve understanding of the meaning of words in context. This book, along with 11+ Essentials Cloze Tests: Book 1 for CEM, contains three styles of tests (Word Bank, Multiple Choice and Partial Word) suitable for the preparation of the Cloze questions relevant to the new styles of 11 plus exams, and includes predominantly short and medium length objective passages as can be expected in the actual exams themselves. Extensively road-tested by ElevenPlusExams, these tests are best used as real exam practice to benchmark your child's performance. The on-line service helps identify areas for improvement and, crucially, gauge peer comparison. They are perfect for use both in the classroom and at home.
